Curriculum Details	
Curriculum type : Local	
Curriculum planning	
<p>Our curriculum aims to foster balanced development and learning. Holistic development in moral, intellectual, spiritual, physical, communal, and artistic aspects is promoted. Children are guided to learn the enjoyable way. Play is used to stimulate children's interest in learning and foster good learning attitude.</p> <p>We will follow the "Kindergarten Education Curriculum Guide" (2017) to plan curriculum. Children of nursery classes will not be asked to write, and there will not be mechanical copying exercises and drills on calculation.</p>	
Learning / Teaching approach & activities	
<p>The child-centred approach is adopted. Various group activities, online learning, community participation and extra-curricular activities are arranged according to children's development and needs for building up knowledge through practical experiences. We endeavour to improve our teaching by participating in professional collaborative schemes.</p>	
Assessment of children's learning experiences	
<p>A child's physical and psychological developments are assessed on an ongoing basis during the school year. A child's journey of learning is recorded systematically and reported to the parents and teachers for reference so the child is appropriately helped to develop and learn.</p>	

School Characteristics	
School vision and mission	
<p>Holistic child education is provided based on the Christian spirit of holistic education. All our workers accept each other and make use of their strengths to provide integrated quality pre-primary education for children in the district.</p>	
Support to students	
<p>The child-centred approach is adopted. Partnership is developed with parents to systematically help children with different needs. Various caring services are provided. Parent-child learning and online support learning are also available to help students bring into play their potentials.</p>	
Support to non-Chinese speaking (NCS) students	
<p>Create an inclusive learning environment to facilitate students' integration.</p>	
Support to students with special needs	
<p>Joining the On-site Pre-school Rehabilitation Services.</p>	
Link with parents	
<p>Parent-teacher association : No</p>	
Other activities / communication with parents	
<p>We maintain close contact with parents and support each other. Various parent' s education and activities and parent-child activities are organized from time to time. Parents' opinions are collected systematically for improvement of service quality.</p>
